

Solve Mount - Solve Seal Fixing Point

Certification Number: MCS BBA 7460/01

MCS

CERTIFIED

Manufacturer: Solve Innovations Ltd.

Model Number: Solve Seal Fixing Point

Technology: Solar PV

Certification Period: 15/09/2025 - Present

Current Certification Status: Certified

Solar Mounting Testing Fields

Pitched Roof Type: Above roof

System Or Component: Component

System Component Description: Metallic bolt and silicone seal. Bolt fixes into roof-timber/steel while the seal forms a water-tight fixing in the roof covering by expanding to fill the hole.

Roof Attachment: Roof sub-structure

Pitched Roof Covering Discontinuous: Double Roman Tile
Composite Tiles
Pantile
Plain Tile
Slate
